Teacher's Report

Candyce Doorn
Program Coordinator

A huge thank you to all the local businesses in the community. With your continued support the students at Halls Head College Education Support Centre have had the opportunity to experience and demonstrate their Core Skills for Work, while exploring their job interests.

The students have been enrolled in Endorsed Programs through the School Curriculum and Standards Authority (SCSA). All three programs contribute to the Western Australian Certificate of Education (WACE) Statement of Results or Western Australian Statement of Student Achievement (WASSA). Authority Developed Workplace Learning (ADWPL) requires the students to complete a minimum of 55 hours in the workplace and demonstrate a variety of Core Skills for Work that have been identified by employers as being highly desirable. The Preparatory Award Towards Independence modules, Work Awareness (WA) and World of Work (WoW) provide an opportunity for students to experience a work environment in local businesses and learn about and begin to develop skills in a variety of industries. Most students participated in Workplace Learning over two school terms which provided the students with an opportunity to participate in a supported work environment in the community and develop skills that are transferable to all forms of employment or further training.

Working at In2Steel was fun and the staff were great to me. I enjoyed doing the spray painting for frames and cutting the steel bars so they could be welded to the bigger pieces.

JAYDEN — MANDURAH WILDLIFE RESCUE

I liked the people at the Mandurah Wildlife Rescue. They were very nice, kind and cool. I enjoyed my day there because they made me feel like I belong in the forest. Thanks to all these people especially Tam, Trish, Dot and everyone else. I enjoyed feeding the animals, doing bedding and picking them up. It is very hard to choose because I liked them all but my favourite animals are the kangaroos, birds, possums, bandicoot, bungarow, bobtails and ringtail possums.

TAMIKIA — SMALL FRIENDS FALCON

I like to play with the children.

Thank you for allowing me to work at your centre.

I enjoyed working with all the staff and especially liked to play and help with the children. I hope in the future I can complete my Certificate III in Children's Services, so I can continue working in this industry.

Thank you so much.
