## MESSAGE FROM THE PRINCIPAL

*Mrs Debbie Fieldwick*

Welcome to our first Newsletter for 2020. It is always a little bit scary for our year 7 students as they settle into high school, however this group of year 7 students have settled very well. The year 7 staff have been working hard to get to know them and help them to feel supported in their new school. I have enjoyed catching up with so many of our returning students over the last few weeks and seeing just how much they have grown. Exciting times are ahead for our year 10 students who are beginning to attend interviews for their workplaces this year. We all remember so clearly when they were our year 7 students!

This term we have welcomed a new staff member, a year 10 teacher, Miss Fieldwick. We are also, sadly, saying a farewell to Mrs McGrath, an Education Assistant who has been at our school for over 15 years. Mrs Gillian McGrath is retiring and we wish her all the best in all her future adventures beyond her time at our school. We also said a sudden, but equally sad, farewell to Mrs Jayde Halls who has been a teacher with us since May 2011. Mrs Halls was offered an exciting opportunity in another school and we wish her all the best in her new role. We welcome back Mrs Doorn who has returned from her Long Service Leave. Mrs Doorn will resume her Principal role on Wednesdays.

We have had a productive start already introducing our revised Positive Behaviour Program to students with new posters displayed across the school. (See below). Our new CALM mornings initiative has also been implemented and has already made a difference to classroom tone in the mornings. Students are now appointed mentors from our class staff teams and these staff members individually check in with them each morning as part of our CALM routine. We are also welcoming Wednesday morning visits from Jodie Toy and Charlie an Assistance Dog who assists students with all aspects of their schooling. The **Working With Charlie Program** is a fun and unique program that supports students with their social, emotional, behavioural and communication skills.

There has been loads of camp planning happening behind the scenes for our Year 8, 9 & 10 school camp at Point Peron. Our year 7 students will be enjoying a day camp with their class team. Camp is happening in week 2 of term 2. We will celebrate Harmony Day on Friday 20th March and I look forward to the students and staff sharing their family cultures. Celebrating diversity and sampling foods from many cultures should make for a lovely day.

# Year 7 with Dr. Enoma

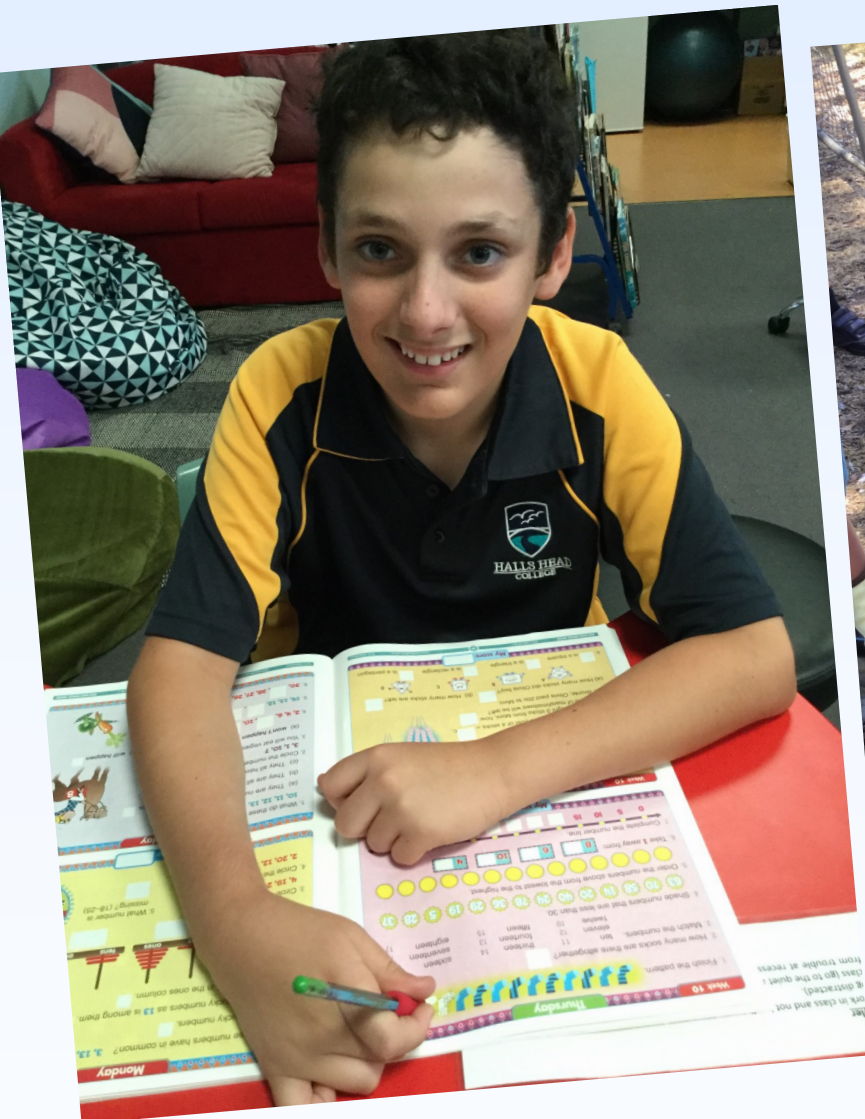

Our Year 7 Team, Dr. Enoma (Teacher), Mrs Dean, Mrs Verdon, Ms Cavanagh and Mrs Turner are delighted to see how well the Year 7 students have settled into their new environment. We are mindful and respectful of all the changes students have to navigate when transitioning from Primary to Secondary School. Many are making new friends and finding their way around the school with staff support.

Our class is focusing on different positive aspects each week as our class theme. In week 4 the focus was on 'smiling' and in week 5 it was 'be kind'. All the students have a shared goal of 'emotional self regulation and self control' which they are working on.

Our daily points system encourages the students to meet our behaviour expectations such as — Acceptable language, Keeping hands, feet and objects to yourself, Emotional regulation and Being a good student, both in and outside the classrooms. Students receive points for each of our five behaviour areas during each period of the day including recess and lunch. Rewards include icy poles, freetime (daily), receiving a blue key and 'Student of the Week' canteen voucher (weekly).

We are all looking forward to our first excursion of the year on Friday 3rd April — an adventure on the Pirate Ship and some lunch on the Mandurah foreshore. Letters with more information will be coming home soon.

Our school staff are looking forward to meeting the parents of our students on Wednesday this week, 11th March at 1.30pm. Please sign in at the ESC

# Year 8/9.1

with Mr Barker

Welcome to our Year 8/9.1 class. Our team this year is Mr Barker (Teacher), Mrs Tindale, Mrs McColl and Mrs Kennedy.

We've had a very busy start to 2020 with our class theme being Media orientated, covering areas of technology and social media.

All students are working hard to achieve our focus goal of 'Getting Along' by encouraging and supporting each other. We are also following the 'You Can Do It' program.

The class has been learning how to use technology with confidence and independence. We are all looking forward to making some films in the near future.

Exciting upcoming activities include going on an excursion and celebrating special dates on the calendar, like the Chinese New Year and St. Patrick's Day.

# Year 8/9.2 with Mrs Enoma

The theme in our classroom this term is 'The Academia' - Literacy and Math wiz.

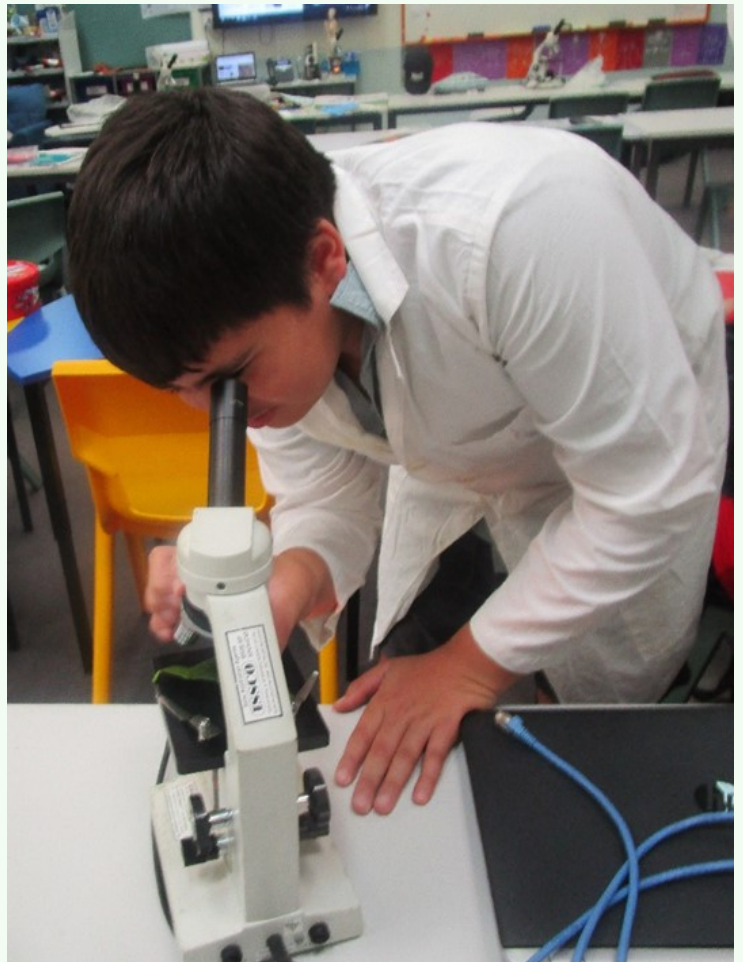

Our students are enjoying solving challenging maths problems and reading various books and completing creative writing. Students are studying all the times tables from 1 to 12, developing text comprehension, and completing their own Vision Board of their future job.

The Year 9 students really enjoyed the Science investigation — dissecting chicken wings and identifying the tendons, muscles, joints and cartilage. Whilst, the Year 8 students viewed onion cells using the microscope.

Students achieving skills in the 'You Can Do It' program (Getting Along, Confidence, Resilience, Organisation and Persistence) and being nominated as 'Student of the Week' are able to chose a reward from the class prize box.

We are all looking forward to a Team Building excursion at the end of term — further details to be forwarded to parents soon.

Staff supporting your student in our class are Mrs Rhodes, Mrs Wilson, Miss Graham and Mrs Hughes.

# Year 10.1

with Mrs Hodge

Our Year 10.1 class team is Mrs Hodge (teacher), Ms Randall, Mrs McQualter, Ms Jelleff and Mrs Smith.

Our class theme is focused on 'Work Readiness and preparing for adult life'.

Students are working towards participation in end of term activities. On a daily basis they are encouraged to acknowledge intrinsic reward for the work they do and the skills they develop. We also implement the 'Keys for Success' system and encourage personal growth and responsibility.

All students work through their program and are provided with down time where they can share a hot or cold drink and time for cooperative play with the use of games and music.

The students have adjusted very well to the Year 10 learning environment and have shown great maturity in developing learning skills that see them achieve success. In Maths, students are starting to look at how we get money and budgeting. In English, they have begun the initial set up of a personal resume which they will update as the year progresses and they participate in Work Place Learning (WPL). They have also been brainstorming ideas of how the interview process looks in preparation for their WPL employer interviews.

Students and staff are looking forward to camp and starting their work placements in term 2. An end of term corporate day activity is currently being planned and further information will be sent home closer to the date.

## ATTENDANCE MATTERS

It is important that students are at school each day and arrive on time so that they receive full educational benefit from the programs we provide and have continuity of learning.

If your child is absent from school **it is essential that you inform us before or on the day of absence** either by email to [HallsHead.CESC@education.wa.edu.au](mailto:HallsHead.CESC@education.wa.edu.au), by phoning our school office on 9581 0613, or by SMS to 0437 514 507.

For email or text messages, we need to know who you are, who your child is, an explanation for the absence and when we can expect your child back at school. Usually a brief explanation will suffice, although we may ask for more details if we feel it is necessary.

Absence should always be for a genuine reason. If we do not hear from you we will follow up your child's absence by contacting you. Please ensure that your contact numbers are always kept up to date. It is an important administration function keeping track of our students, and you can help assure us that our students are safe each day by promptly advising the school of any absences.

# Year 10.2

with Miss Fieldwick

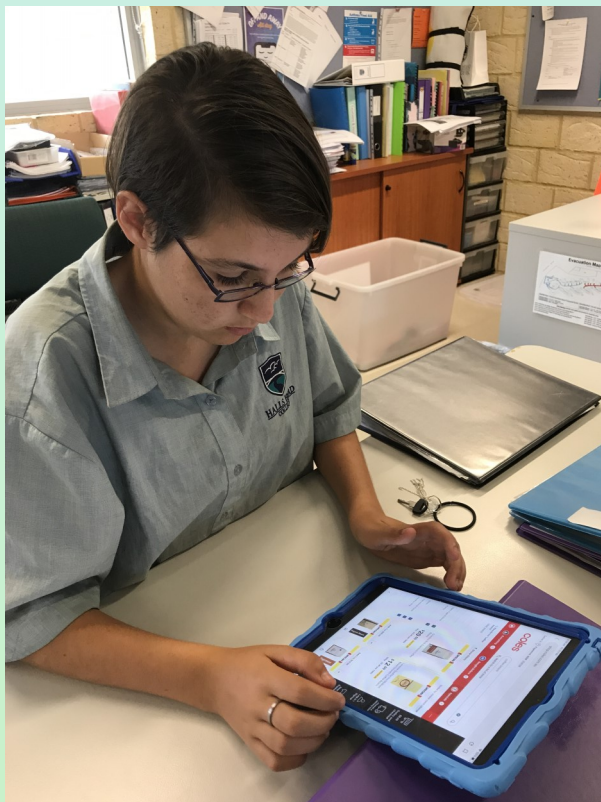

We have enjoyed a very positive start to the year with our senior students setting a great example for new students. We've had Charlie the therapy dog visiting our class where we also heard from his trainer Jodie about how to interact with him.

The Business Enterprise students have completed their advertising for their enterprise and have already started selling coffee to staff with fantastic reviews.

Students are planning and writing healthy meal plans in Health classes and are looking forward to the shopping excursion later this term when they purchase their chosen ingredients and are able to cook up a storm in the Life Skills room.

Our Eco-Leader students have been planning and prepping and are looking forward to their Friday excursions out in the local community.

Staff supporting your child in our class are: Ms Baker, Mrs Sharratt, Mrs Furr and Ms Gallagher.

## CALM MORNINGS AND MENTORING

In 2020 our school has introduced CALM Mornings and Mentoring. The idea is for a very calm start to the day for all students and staff.

- 8.30am to 8.35am - **C** - Check in — Mentors check in with students in very small groups
- 8.35am to 8.45am - **A** - Advocacy — Mentors support students to problem solve, set and reflect on goals
- 8.45am to 8.50am - **L** - Learning — Teacher presents/reinforces YCDI focus or virtue
- 8.50am to 9.00am - **M** - Classroom based mindfulness activities ie: meditation
